County May Buy Jury Scrip if Law Permits
If jurors were not so anxious to get their warrants cashed immediately after they get them they could save money. At present they are getting only 75 or 80 cents on the dollar for their scrip, but if they register it with the county treasurer and hold it for 10 months they will get cash for it.

County judge A. S. J. Eyal is looking up the law to ascertain if it is permissible for the county commissioners to invest part of the permanent school fund in jury scrip and thereby make money for the county instead of having it all go to the banks and other investors in scrip.

ACCUSED OF SHOOTING A SOLDIER THROUGH THE THUMB
James Bulger, a guest at the Sheldon hotel, was arrested by the police Tuesday morning at 3:30 and a charge of assault to murder registered against him. Bulger, a member of the Irish-American Legion, was charged with shooting a soldier in the thumb.

It is charged that he and private Franklin, of C troop, Fourth cavalry, engaged in an argument in the Sheldon hotel lobby and that Franklin slapped Bulger, who drew a pistol and shot the soldier in the hand. The soldier and a companion, private Campbell, returned to Fort Bliss. Franklin's wound was not serious.

BILL IS BACK WITH NEW STOCK OF STORIES TO RELATE.
Bill Black is back. Don't know Bill? He is the short fat lumber salesman of east Texas. A month ago he was in the lumbermen's meeting two years ago and the big allegator in the plaza died from sorrow because Bill did not come back sooner. Bill Black is here to tell his newest stories. He is really paid to come to El Paso and peddle two by fours and other lumbermen's goods. But Bill does that by auto suggestion process after he has told his stock of stories.

Bill is visiting his little playmate, Maury Edwards, while he is in town.

SLOAN ENDORSEMENT CAUSES DISSENION
Phoenix, Ariz., March 19.—Bitter feeling was engendered among members of the Arizona Bar association in the meeting at the capitol, when a resolution endorsing ex-governor Richard E. Sloan for the federal judgeship in Arizona was passed by a viva voce vote. Sloan's appointment is awaiting confirmation by the United States senate.

A resolution was passed in the face of strong opposition, headed by attorney general Bullard.

WILL INTRODUCE WAGE BILL TUESDAY

Is Expected to Settle the English Coal Strike Dispute.

London, England, March 18.—Premier Asquith announced in the house of commons today that the government would introduce a minimum wages bill for miners tomorrow. He will ask the house to read it a second time Wednesday and complete the remaining stages Thursday.

Premier Asquith said the bill would provide for the payment of a minimum wage to persons employed underground and would include the arrangements incidental to that measure. In the opinion of the government the passage of the bill by Thursday was imperative, in order that the house of lords might consider it on Friday and the royal assent be given to the act on Saturday.

ARMY MANEUVERS TO BE GREATEST HELD

Tepeka, Kan., March 18.—Adjutant general C. L. Martin of Kansas has received word of tentative plans on the part of the War Department for the greatest series of maneuvers that have ever taken place in Kansas between Fort Riley and Fort Leavenworth.

The maneuvers probably will take place in September.

Between ten and fifteen thousand men will take part, all the regulars at Fort Riley and Fort Leavenworth and the national guard of Missouri, Kansas, Oklahoma and Nebraska.

At Fort Leavenworth there are about 2000 infantry and cavalry and at Fort Riley there are about 2000 cavalry and artillery. There will be about 1500 men in the two Kansas regiments and battery, about 3000 in four regiments from Missouri, 300 in the one regiment of Oklahoma and 1500 in the two regiments of Nebraska.

The field maneuvers will last about 10 days. The national guard regiments will be mixed with the regulars.

The whole force will be divided into two armies. One will start from Leavenworth and one from Fort Riley. It is expected that they will come together in this section of the state.

Austin, Tex., March 19.—The railroad commission has given its permission to the railroads for the issuance of a money scrip mileage book for the railroads for use on the lines of the southwest. This was done at a conference between the commission and E. H. Dallas, San Antonio, district passenger agent of the Santa Fe and E. P. Adams, assistant general passenger agent of the same company with headquarters at Galveston. The new plan means the abolishment of the credential book to which the commission gave its sanction.

MOTHER AND CHILD ITCHED AND BURNED

Troubled About 2 Years. Often Could Not Sleep. Used Cuticura Soap and Ointment. In 2 or 3 Weeks Well.

Decker, N. C. — "About three years ago my little girl was taken with a breaking out. It began on her arm and shoulder and in a few days it was taken with what seemed to be the same thing. It started on my chest and finally got all over me. We were troubled with it for about two years. Often we could not sleep. It would itch and burn worse at night, and we just wanted to scratch, which made worse. I finally used the Cuticura Soap and Ointment. We bathed with the Cuticura Soap and water, and then applied the Cuticura Ointment. Truly all over the affected parts. I used this treatment two or three times a week, and in two or three weeks I was well and my little girl too, and we have had no symptoms of the skin disease since." (Signed) Mrs. Emma Alexander, Nov. 27, 1911.
